# Instructions and Guidelines for Swimmers with Disabilities

- Each LSC may bring two (2) swimmers with disabilities age 12 & under, and two (2) swimmers age 13- 18 to the meet. These adapted swimmers are in addition to the swimmers who have qualifying times for the meet events. Each LSC may select the adapted swimmers at their own discretion.
- Swimmers with disabilities may compete without having achieved the qualifying standard for their age group; however, they must provide a time for each event they enter. This information can be e-mailed, but ALL of the information on the entry form must be included in the e-mail. The classification of swimmer with a disability is irrelevant.
- Swimmers with disabilities may compete in Finals, earn awards and score points for their team in the same manner as the able-bodied swimmers.
- It is the responsibility of the swimmer, or his / her coach, to inform the Meet Referee of any disability-related accommodations he /she may need in order to compete.
  - This information must be given in advance of the meet on the entry form.
  - The Meet Referee shall determine any modifications that may be required and relay the information to the starter and stroke and turn judges. These options include:
    - seeding the swimmer with others of the appropriate gender,
    - allowing the swimmer to compete half the distance of their age group (swim the 100 meter. backstroke during the 200 meter. backstroke race),
    - allowing the swimmer to compete with a younger age group where their entry time is similar to the able-bodied swimmers for the same distance (a 15 year old swimmer with a disability could swim the 100 meter freestyle with the 10 & U age group), or
    - reassigning the lane of a deaf swimmer if a required view of the strobe light is obscured and the light cannot be repositioned.
  - Visually impaired swimmers who require tappers must bring their own devices and individuals to use them.
- Should a Disability Record be set, it is the swimmer's responsibility to complete and submit the application for an American Record.
- The final meet results will show the swimmer with a disability listed in the correct age and event, regardless of where s/he actually competed.
