ELIGIBILITY (As found in Black Book)

The Rules That Govern YMCA Competitive Sports must be followed at all levels of YMCA competition. Some, but not all, of those rules are referenced below. Coaches, athletes and YMCA supervisors are responsible for knowing and abiding by the Rules That Govern.

Any questions pertaining to a definition of the following YMCA Inter-Association Meets, YMCA Championship Meets, and Sanctioning procedures can be found in the 2011 As found in Black Book. Download from www.ymcaswimminganddiving.org

SWIMMERS

YMCA MEMBERSHIP (As found in Black Book)

A Swimmer must be a YMCA member who, after due application, is enrolled by the association as a member, entitled to full privileges, activities, and services of that association. This means that members of YMCA competitive teams must have full-privilege YMCA memberships that entitle them to the same activities and services as other full-privilege YMCA members.

A swimmer must be a member in good standing of his/her YMCA for **30 days** prior to competing for that YMCA in a meet. The swimmer must be a member in good standing of his/her YMCA for **90 days** prior to representing that YMCA in a district, regional, state or national championship meet. (Rules That Govern, Rule II Sec.1a) The membership status must be valid through the end of the competition. A swimmer may represent his/her YMCA *only* (in competition) for at least 90 days prior to the YMCA National Championship Meet entry deadline in order to compete in that meet. The National Advisory Committee recommends that local, district, regional and state leagues and committees adopt the same rule for their championship meets.

DUAL REPRESENTATION AND MEMBERSHIP TRANSFER (As found in Black Book)

Swimmers who wish to change their membership from one YMCA to another may do so through **Transfer by Consent**. An athlete may transfer from one YMCA team to another YMCA team and be eligible to compete for his/her new YMCA team immediately upon the written consent of the YMCA that he/she previously represented. This includes transfer from one metropolitan branch to another. The membership transfer shall be completed **BEFORE** the individual competes for the new association or branch. This written consent must be in the form of a letter from the executive director of the YMCA association or branch that he/she previously represented. However, the athlete must still be a full privilege member of a YMCA - any YMCA - for 30 days prior to competing in any YMCA meet and be a full privilege member of a YMCA - any YMCA - for at least 90 days prior to competing in a YMCA district, regional, state or national championship meet. Once an individual transfers by consent to another YMCA, that person cannot transfer back and compete for the YMCA unit he/she previously represented for one year from the date of the original transfer. (Rules That Govern, Rule 2 Sec. 2)

[Type text]

Swimmers who wish to **transfer from a non-YMCA team** (USA Swimming team) to a YMCA team during the current season must observe the YMCA membership rules as stated above and in the Rules That Govern. To be eligible to compete in the YMCA National Championship meets a swimmer must not have represented any organization other than his/her YMCA team (high school excepted) for at least 90 days prior to the YMCA National Championship entry deadline. A swimmer must also have met the additional eligibility requirements for YMCA Nationals as stated below.

COLLEGIATE COMPETITION (As found in Black Book)

According to the Rules That Govern, an athlete must maintain amateur status to participate in YMCA competition (Rules That Govern, Rule 1 Sec. 1). Any student who represents or has at any time represented an educational institution beyond Grade 12 in any level of competitive swimming or diving shall be ineligible to participate.

ADDITIONAL ELIGIBILITY REQUIREMENTS FOR YMCA NATIONAL CHAMPIONSHIP QUALIFICATION

AGE (As found in Black Book)

An athlete must be at least twelve (12) years of age, and not older than twenty-one (21) years of age on the first day of the National Championship Meet.

QUALIFYING TIME STANDARDS (As found in Black Book)

An athlete must achieve the minimum qualifying time standard for each National Championship Meet event in which he/she enters. Coaches must be prepared to show proof of this achievement, and that was made during the current qualifying period, at meet registration. The qualification period for the Short Course National Championship Meet is March 1 of the preceding year through the entry deadline for the current year's meet. The qualification period for the Long Course National Championship Meet is July 1 of the preceding year through the entry deadline for the current year's meet.

Any time achieved at an inter-association meet, or sanctioned YMCA championship meet in which the swimmer competed under their YMCA name is acceptable. USA-S times and high school times are also accepted.

When proving an intact relay time the following conditions must be met:

- In order to submit a relay time established beginning March 1, 2010 and prior to September 1, 2010, all of the swimmers who achieved this time must be eligible to compete at 2011 Short Course Nationals.
- The names of those swimmers **MUST** appear on the team entry form for the National Championship.

[Type text]

YMCA MEET PARTICIPATION (As found in Black Book)

In order for an athlete to be eligible to compete in the YMCA National Championship meets, he/she must have competed in three closed inter-association YMCA meets plus one sanctioned YMCA championship meet since September 1 of the current season. See definitions and standards in *Competition* section below.

COACHES

SAFETY CERTIFICATIONS (As found in Black Book)

In the interest of maintaining the highest level of safety, the YMCA of the USA strongly recommends that all coaches who work with YMCA competitive swimmers be currently certified in the following areas.

- CPR
- First Aid
- Lifeguarding or Safety Training for Swim Coaches
- Principles of YMCA Competitive Swimming and Diving

The YMCA of the USA recognizes certifications from the following organizations:

- American Red Cross
- American Heart Association
- American Safety and Health Institute
- National Safety Council
- YMCA of the USA

Coaches must hold current certifications in these areas in order to be permitted on deck at the YMCA National Championship meets. Beginning September 1, 2011, all coaches will be required to hold current certifications in these areas in order to be permitted on deck at any sanctioned YMCA championship meet. An instructor's certification by itself does not satisfy the requirement for current certification.

TEAM REGISTRATION AND COACHES' DECK PASSES (As found in Black Book)

Each fall, the coach or team representative registers his/her team on the YMCA competitive swimming registration site (www.ymcaswimminganddiving.org). Registration for the team is free. All YMCA coaches also need to be registered on the same site. Coach registration is completed when the head coach or team representative submits the coaches registration fee (\$30 per team flat fee) lists the safety certification expiration dates and sends copies of the coaches' current safety certification cards (as listed above) to their group representative. Coaches may also submit a current USA Swimming coach credential and a copy of their Principles of YMCA Competitive Swimming and Diving card. Group representatives then issue YMCA coach credentials that are to be displayed for deck access at sanctioned championship meets including YMCA Nationals. USA Swimming is now recognizing Principles of YMCA Competitive Swimming and Diving on its coaches' credentials. USA Swimming member coaches may submit a copy of their Principles card to their LSC registrar with their other safety certifications. A "Y" will be placed on the USA-S card. YMCA coaches may show this card, or their YMCA coaches' card, at YMCA meets including Nationals. All YMCA coaches still need to complete the online YMCA registration.

ASSOCIATIONS

DEFINITION OF AN ASSOCIATION (As found in Black Book)

According to the Rules That Govern (Rule I, Sec. 12), for the purpose of YMCA competitive sports an association is any YMCA unit that is approved by the National board, has a separate branch or association number and is eligible for a separate listing in the YMCA Directory. This could be a branch or a metropolitan association. A metropolitan association must decide whether to operate one competitive swimming program that represents the association as a whole, or to have each branch within the metropolitan association operate its own team. A YMCA team must compete under one name and association number during the given season. A YMCA team may not represent a branch (having one association number) during part of the season and the association (which has a different association number than the branch) as a whole during another.

ASSOCIATION IN GOOD STANDING (As found in Black Book)

According to the Rules That Govern, a YMCA association must be in good standing with its state, cluster and region in order to participate in YMCA competition. (Rules That Govern, Rule III)

USA SWIMMING TEAM AND YMCA NAME (As found in Black Book)

Each YMCA Team may hold only one USA Swimming Team Membership. A YMCA Team may not be part of more than one USA Swimming Team Membership (Cannot be comprised of swimmers of more than one USA Swimming team). YMCA Teams MUST have their official YMCA name as listed in the national YMCA directory on their USA Swimming Certificate of Insurance.

YMCA WITHOUT A SWIM TEAM (As found in Black Book)

If an Association does not sponsor a swimming team, an eligible athlete from that Association may participate in the National Championship Meet representing his/her own YMCA, provided the entry is approved by the group representative in that region and by the National Advisory Committee. The athlete should also be under the supervision of a certified YMCA coach from another YMCA. The National Advisory Committee recommends that leagues, districts, states and regions afford such swimmers the same privileges.

Use actual times. Time conversions are NOT PERMITTED. (Meter times are not converted to yards) Meter times are considered non-conforming and are seeded last.

ENTRY DEADLINE AND PROCEDURE

Entries are due by midnight, EDT, Wednesday, March 23th, 2011. Online meet entry is REQUIRED.

There are separate handbooks for the Swimming Championship and the Diving Championships.

Entries for the Diving Championships will go directly to Gary Cox. See the Diving Handbook. Questions – contact Gary Cox. gcox.sa@ymcamke.org

Before going online, please create a Meet Entry file in Hy-Tek's Meet Entry format. You can do this by either using Hy-Tek Team Manager, the Hy-Tek Team Manager Lite free version (available from www.hy-tek.com/downloads.html), or a similar program that is able to create a Hy-Tek Meet Entry format file. You can download an Events File for this meet from the <http://www.ymcaswimminganddiving.org/2011sc.htm>.

Once you have entered your qualified swimmers in the desired events AND verified this through the Hy-Tek Team Manager program export your entry file. You can choose to export it to a floppy disk, CD, DVD, Flash drive, or your hard drive. However, if you export it to your hard drive, please remember the drive and folder name that contains the file. You will need this later in the process.

The meet entry online form can be found at www.ymcaswimminganddiving.org/2011sc.htm. Click on the link on the page marked "ONLINE Meet Entry".

Complete the information on the screens. You will then be requested to UPLOAD your Meet Entry file (instructions will be given) from the drive and folder you noted above. Note: If you are using Team Unify – you must unzip the file before submitting.

Once you have uploaded your file, it will be checked for errors and possible error conditions. A report showing these errors will be displayed for you. Please print the report and return to your Hy-Tek Team Manager (or similar program) and fix the mistakes.

After you have fixed the errors and created a new Meet Entry file, then once again go online and repeat the online process. You may re-upload your entry as many times as you like. However, please realize that each upload OVERRIDES the prior upload. *Each upload must be a complete meet entry.*

When you indicate that you want to complete the entry process, a form will be displayed for you to print:

[Type text]

NOTE: Once entered teams are responsible for the entry fees even if they do not attend the meet.

If the team is not attending, please email Tom Warrick twarrick@comcast.net by Monday, April 4, 2011. This will eliminate empty lanes for the missing swimmers.

INSURANCE See addendum for a sample

Each team that participates in the meet must have a current and correct Certificate of Liability Insurance in effect through the last day of the meet on file with the YMCA of the USA. You must have submitted a valid certificate of liability insurance to the YMCA of the USA by Noon (EST) on Friday, March 25 to be able to compete in the meet. Certificates are mailed to: YMCA of the USA, Attn: Robin Lee, 101 North Wacker Drive, Chicago, IL 60606

Emails of certificates will be accepted from the Insurance Broker only. Emails may be sent to robin.lee@ymca.net.

Certificates of insurance may be faxed to Robin at 312-977-1134, HOWEVER, the original must still be sent to YMCA of the USA, Attn: Robin Lee, 101 North Wacker Drive, Chicago, IL 60606

Once this form has been submitted to the YMCA of the USA, it should serve to cover all YMCA of the USA sponsored events through the expiration date indicated on the certificate. In other words, a certificate filed prior to the Short Course Championship that has a long enough expiration date may cover the Masters and Long Course Championship as well. A list of teams with the expiration dates of their certificates (if 2011 or greater) will be available at www.ymcaswimminganddiving.org/2011sc.htm web page. Insurance Certificates go to Chicago before they are entered in the spreadsheet; therefore they will not appear on this list before the evening of the next business day.

All coaches must have photo ID and their certifications to obtain their packet which contains credentials for admission to the pool deck. All certifications must be current originals.

PROOF OF TIMES AND SWIMS

The meet entry file will be reconciled with SWIMS. Teams entered will be selected at random for proof of time. If the selected team has all of their times in SWIMS no further proof of time will be needed. The teams selected will be notified by Monday, March 28, 2011. This email will be sent to the email address of the registration coordinator that is given during the online process. All teams notified will be required to go through the proof of time process. The list will also be posted on the web.

It is up to the coaches of the teams not notified whether or not they want to bring their proofs to the meet. However, please be aware that other factors may require that a team may have to prove times. This includes, but is not limited to, a protest from another coach.

Proof of time - For those teams selected for Proof of Times the procedure will be:

- At least one individual event for each swimmer must be proved.
- At least one relay from each team must be proved.

If a coach fails to prove any single time, the entire list must be proved. Entered times (or faster times) must be proven. This means the entered time (seed time) must be proven to the hundredth of a second. It is permissible to prove a faster time. It is not sufficient to prove the time standard unless the swimmer's entered time is the qualifying time. Times must be achieved before the entry deadline (March 24, 2011). Swimmers entered in an event with times slower than the minimum qualifying standard for that event will not be considered as a legal entry and will not be permitted to compete.

Relay proof of time

Any relay time achieved between September 1, 2010 and the entry deadline (March 23, 2011) belongs to the team and does not require the same intact proof.

Intact relay - When proving an **intact relay** from the prior National YMCA Championships the following conditions must be met:

- In order to submit a relay time established beginning March 1, 2010 and prior to September 1, 2010, all of the swimmers who achieved this time must be eligible to compete at 2011 Short Course Nationals.
- The names of those swimmers **MUST** appear on the team entry form for the National Championship.

If these two conditions cannot be met, a team may use a composite time using individual times established by swimmers on their entry form.

Proof must be from meet results. Proof may be printed from the SWIMS database. Proof of times from YMCA sanctioned meets not in the SWIMS database must have printed meet results. All hand written results must be signed by the meet referee. Misstated times in an event will be corrected provided proof can be shown that the individual's time is at or below the Time Standard for that event. We expect all coaches to model the Core Values when entering event times. Non-verifiable times may be assessed a penalty.

Failure to have proof will result in elimination of that individual from that specific event unless heats have been seeded, in which case it counts as an event and they may not swim in it. Misstated times will be corrected providing the scratch/relay table has not been closed for that day. No penalty fee for misstated letters (S or L).

NEW COACH

All new coaches (not just new teams) will meet with the Assistant Meet Director prior to the Coaches Association meeting (3:15 PM) to go over meet procedures and answer any questions he/she may have in regards to the national meet. Any coach arriving after the new coach's meeting may contact the Help Desk (located at the announcer's stand) or see the Meet Director or Assistant Meet Director.

If you have specific questions prior to the meet, please email Glenda Pae (paelittlegirl2@aol.com) by March 23.

COMPETITION

SCRATCH PROCEDURES

The USA-S scratch procedures (USA-S Rule 207.12.6) will be followed, as modified for this Meet and set forth below:

SCRATCHING FROM PRELIMINARIES

A swimmer is considered entered into an event unless he/she scratches from that event. If a swimmer does not scratch from an event and does not swim the event, the swimmer is still counted as participating in the event for purposes of determining the number of events in which that swimmer may compete.

Scratch cards will be available during registration from the Proof of Times table and thereafter from the officials at the scratch/relay table.

A separate scratch card must be used for each event, although more than one swimmer from the same team in a particular event can be entered on the same scratch card.

Once a scratch card is submitted to the scratch/relay table, the swimmer is declared scratched and may not compete in that event.

Scratches will be accept at the Proof of Times table during registration hours In the ISHOF Auditorium on Monday, April 4th. The scratch/relay table will remain open in the ISHOF Auditorium until 4:45 PM. The Scratch/relay table will then be closed until Tuesday, April 5th at 7:00 AM. During competition the scratch/relay table will be in the Coaches' Hospitality Room.

The scratch/relay table will be open for scratches from preliminaries during the following times:

For the preliminary events on Day 1 – 9:00 AM to 4:45 PM on Monday, April 4th.

For the preliminary events on Day 2 – 7:30 AM – 20 minutes after the last swim (1:00 PM at the latest) on Tuesday, April 5th.

For the preliminary events on Day 3 – 7:30 AM – 20minutes after the last swim (1:00 PM at the latest) on Wednesday, April 6th.

For the preliminary events on Day 4 – 7:30 AM - 20 minutes after the last swim (1:00 PM at the latest) on Thursday, April 7th.

Scratches will be accepted for any future competition not just the next day.

DECLARED FALSE START

A swimmer may also withdraw from a preliminary heat or swim off by electing to take a declared false start. Such declaration must be made known to the Deck Referee before the heat or swim off is announced. A declared false start counts as an event swum for the swimmer and will be counted in the maximum number of events allowed to be entered by each swimmer.

NO SHOW

A swimmer who is seeded in a preliminary event and fails to compete (1.e., a “no show”) shall not be seeded in any individual event on succeeding days unless the swimmer and/or coach declares an intent to swim at the scratch table prior to the scratch period for that day’s event.

SCRATCHING FROM FINALS

Swimmers initially qualifying for the A, B, or C Finals shall have the following choices:

- Swim in the Finals – nothing further needs to be done. The swimmer will be seeded into Finals
- Scratch from that final event - The swimmer, or coach, must notify the scratch table within 30 minutes following the announcement of his/her name as finalist that he/she will not compete in Finals in that event.
- Declare an Intent to Scratch – The swimmer or coach must notify the scratch table within 30 minutes following the announcement of his/her name as finalist. That swimmer, or coach, will need to return to the scratch table within 30 minutes of completing his/her last preliminary event of the day to confirm his/her intentions. A swimmer that does not return will be seeded into Finals.

If there have been scratches from a final event, we will attempt to notify the alternate(s). If notified, the alternate(s), or their coaches, will then have to return to the scratch/relay table to confirm whether they will swim in or scratch from the Finals of that event.

Failure to compete in a Finals Event from which the swimmer has not scratched shall disqualify the swimmer from the remainder of the meet. However, no penalties shall apply for failure to compete in finals if:

- The referee is notified in the event of injury or illness and accepts the proof thereof.
- It is determined by the referee that failure to compete is caused by circumstances beyond the control of the swimmer.

Swimmers in a timed final event may scratch from such event in accordance with the procedures for Scratching from Preliminaries (i.e. as set forth above).

PROTESTS

The USA-S protest procedures (Rule 102.11) will be utilized, as modified for this Meet, and set forth below:

All protests must be made using the Protest Form and delivered to the Meet Referee. Protest Forms can be obtained from the Help Desk.

For protests made prior to a race, concerning the eligibility of a swimmer or swimmers to compete, the Meet Committee will endeavor to resolve the protest before the start of the race in question. If the Meet Committee cannot resolve the issue before the race is swum, the affected competitor(s) shall be allowed to swim under protest and that fact shall be announced.

All other protests must be made to the Referee, using the Protest Form, within 30 minutes after the conclusion of the race in which the alleged infraction occurred.

Protests against the judgment decisions of starters, stroke, turn, place and relay take-off judges can only be considered by the Referee and the Referee's decisions will be final. Any questions concerning judgments by deck officials should first be addressed to the particular Deck Referee, and then to the Meet Referee, as appropriate.

The Meet Committee will consider all other protests lodged against the Meet, and its decisions will be final.

The results of any protested race will not be announced, any awards will not be given and any points will not be allocated until the protest is resolved or withdrawn, in writing.

FALSIFYING INFORMATION

Anyone found falsifying information about the eligibility of a team's swimmer(s), or altering any official document (including meet results), may subject themselves and their team to severe disciplinary action. The offending team's Executive Director will be notified promptly and asked to help resolve any and all such issues.

Emergency Personnel will be available at the meet. These individuals will provide CPR and first aid as needed and will ensure that individuals with serious injuries are transported immediately to the nearest hospital for further treatment. Defibrillators will be on site.

TIME TRIALS

PURPOSE

To provide swimmers an opportunity to achieve the time standards required to compete in future Championship meets. It also provides swimmers an opportunity to swim additional events.

FORMAT

Time Trials will be held in conjunction with the National YMCA Short Course Championships. They are open to all swimmers participating in the meet. The Time Trial Sessions will begin approximately 30 minutes after the preliminaries. They will be conducted in East and West Courses and run through completion. A swimmer may only swim the stroke being contested in a time trial event, e.g. a swimmer may not swim backstroke in a breaststroke time trial.

ENTRIES AND FEES

Coaches may **not** sign up for Time Trials online with their entries. Coaches or swimmers may register for a Time Trial event during the Monday registration period and prior to each Preliminary Session from 7:30 AM to 10:00 am. . The cost of all Time Trial events is \$10.00. **Each swimmer may swim one event per day.** Swimmers

might be asked to provide their own timers. Registration at the pool will be on the Championship Course in front of the hospitality room. If adverse weather conditions cause the cancellation of events, the Time Trials Manager will determine the appropriate action, which may result in the cancellation of the day's events. There will be no refund.

OFFICIALS

To properly conduct a championship meet of this magnitude, it requires that a large number of officials be available to staff the deck each day. There is a need for both YMCA Level I and YMCA Level II Officials each day at Preliminaries, Time Trials and Finals. All officials attending the meet are strongly encouraged to sign up to work at this meet.

In order to bring a high degree of consistency to the officiating, officials are asked to work as many sessions as possible, but at least three sessions over the course of the week. Officials working at the Preliminaries will receive breakfast and lunch in the ISHOF Auditorium.

Please volunteer for time trials as well as the prelim and final sessions.

APPLICATION TO OFFICIATE

Anyone wishing to officiate for the swimming events in the meet may apply to:

Email: ChetAtoZ@aol.com

Postal: Chet Andruskiewicz, 4 Auspice Court, Newark, DE, 19711

Additional information and the application to officiate are available at www.ymcaswimminganddiving.org.

For those who register to officiate: there will be a MANDATORY meeting at the Bahia Mar at 4:30 PM on Tuesday, April 6th. The meeting will last approximately 1 ½ hours.

Officials will only be admitted to the pool complex with credentials (issued at registration). These credentials must be displayed at all times. Officials are only admitted to the deck for sessions that they are working. Officials will be charged for seats in spectator seating for sessions that they are not working

TIMERS

In the past, timing responsibilities were handled by YMCA certified officials. However, due to the difficulty in attracting enough volunteer officials in recent years, it may be necessary to solicit volunteer timers. If this becomes necessary, timing assignments will be made based on the number of swimmers entered in the meet by the larger YMCAs. In such a case, the selected YMCAs will be notified by Tuesday, March 30th of their assigned timer responsibilities. It will then be the responsibility of the Head Coach to provide a list of the volunteers to fill the attached Timer slots at Registration. Volunteer Timers will be expected to attend a meeting at 8:00 AM or 5:00 PM immediately before the session at which they are timing. If volunteer Timers are requested, to the extent possible, it would be helpful if such volunteers could work more than one session.

EVENT AWARDS

Medals will be awarded to the winners of the first eight places in each event including relays. Ribbons will be awarded for ninth through sixteenth places. OVERFLOW SEATING

Also, as everyone should be aware, spectator seating at SC Nationals has been severely impacted by the loss of over 350 grandstand seats. As a result, overflow spectator bleacher seating may be available on the west side of the course. Viewing from these seats may be partially obstructed as coaches are permitted to walk on this side of the course when they have a swimmer in the water. In addition, anyone sitting in this area will not have access to the pool deck. We anticipate that these seats will be available only when the grandstands have been filled.

CAMERAS

Camcorder operators' equipment will not be permitted to take up seats in the spectator area. No flash photography will be allowed during competition.

SWIMMERS AND DIVERS AREA

There will be an area specifically designated for competitors (and their coaches). It is the entire roof of the men's and women's locker rooms on the south side of the pool complex. Entrance to this area will be from diving tower to back stairs by the women's locker room. A tented area will be available.

Team seating is on a daily first come first come basis throughout the complex. Teams will not be allowed to use portable seating on the upper deck or in behind the diving boards.

COACHES AREA

Coaches may use the east and west bleachers of the pool complex. The area behind the blocks is off limits at all times to all except officials and those contestants getting ready to swim.

College coaches are encouraged to register in advance by using the form available on the website at <http://www.ymcaswimminganddiving.org/2011sc.htm>. There is no charge for credentials for college coaches. At the meet, college coaches may request credentials at the registration table. .
